

Katie Allen Class of 2000

I graduated from New York University with a B.S. in Psychology and a Minor in Accounting. After living in NYC for a few years, I ended up in Connecticut. I'm a teacher, professional violinist and engaged to Tim McGraw/Kid Rock's guitar player. He was one of my idols in my high school days, so dream come true! My mom and sister are still in Pittsburgh. I try to make it home but between touring and teaching, my schedule is packed. I'd love to come back and see the school next time I'm in town!
